

Torch Award Committee Report - 2021

The Committee sent out a call for nominations in September. Nominations were received and distributed to the committee. We met in person and via Zoom and made the selections which were then sent to the Senate Steering Committee for confirmation. Recipients were notified by letter from the Provost's Office.

The recognition dinner was held in March, 2022, honoring award recipients for both 2021 and 2020 (whose dinner had been cancelled due to Covid restrictions).

Marilyn Young and Jayne Standley met individually with the new President and the new Provost to provide them with an understanding of the history and the importance of the Torch Awards recognition from the faculty of FSU

The Torch Awards Committee, has 2 vacancies for the coming year and the Faculty Senate Steering Committee has been notified that:

- Leigh Edwards would like to continue
- Pat Martin does not wish to continue and nominated Kirby Kemper as a viable candidate to replace her.
