Re: Year-End Committee Report

The Faculty Senate Grievance Committee did not meet while I was Committee Chair during the 2022-2023 academic year.

On September 28, 2022 I was contacted by Veronica Lopez, Faculty Senate Coordinator, about a grievance brought forward by a faculty member. The official grievance (Form G1) was filed on September 6, 2022 and an amended form was filed on September 28, 2022. After review of the case, I assembled by random drawing a panel consisting of Eric Coleman, Amy Ai, and Ron Honn.

As of January 1, 2023 I became the Department Chair in the RMI/REE/LS department in the College of Business. I resigned as Faculty Senate Grievance Committee Chair effective January 2023. At that point the panel review was ongoing.

Respectfully submitted,

Charles Nyce, PhD
