

Name	Department	College	Amount Funded	Matching Funds	Title of Proposal	25-word Summary
Bish	Music	Music	\$4,325.00	\$500.00	The Role of Timbre in Coaching Clarinet Chamber Music	This grant would enhance our collection of reed quintet and clarinet choir repertoire to facilitate research on timbre difference in same vs. mixed chamber ensembles.
Bledsoe	Geography	Social Sciences and Public Policy	\$1,200		Milton Santos Geography Works	I am requesting the purchase of 14 books by the Brazilian geographer Milton Santos. Santos' definitive works chart the nature of space and how space is both conceived and created. I will use his theoretical frameworks to complete my book manuscript on the territorial tactics and struggles of three Afro-Brazilian communities in Bahia, Brazil.
Eyerly	Music	Music	\$4,527	\$500	Moravian Mission Records in "Indigenous Peoples: North America"	I am requesting a one-year renewal for the Gale/Cengage database, "Indigenous Peoples: North America." This database is the only electronic repository of the "Indian Mission Records of the Moravian Church," which is the principal archival collection that I use in my research on music and sound in Colonial mission contexts. Continuing access to the database would allow me to conduct my research remotely from Tallahassee.
Goff	Religion	A&S	\$6,000		Acquisition of Standard Edition of Nag Hammadi (Gnostic) Texts	I request that Strozier acquire (full purchase) the on-line version of the standard edition and translation of the gnostic texts discovered in Nag Hammadi, Egypt.
McDowell & Bilir	Communication	Communication & Information	\$1,501		Visual Media Analysis Program	We proposed to acquire a number of films and reference books in order to maximize our research capabilities in the Visual Media Analysis Program (VMAP).
Mooney & Elsner	Geography and History	Social Sciences and Public Policy & A&S	\$5,200		US History and Climatology	Series E: Part 2 (reels 1-26) of Kenneth Stamp's Records of Ante-bellum Southern Plantations from the Revolution through the Civil War microfilm collection. Some of the best information for the antebellum period comes from plantation records. These records offer information for both the study of history and climatology.
Muhamad	Communication	Communication & Information	\$3,100		Serious Games Resource Library for Pluridisciplinary Research	The creation of a serious games, or games for social change, resource library that would allow continued research of active entertainment-education modalities across disciplines.
Ozok-Gundogan	History	A&S	\$10,450	\$450	Application to Purchase "Records of the Kurds: Territory, Revolt and Nationalism, 1831-1979"	Request to buy this 13-volume set which contains documents on the history of the Kurdish population. This set is published within the scope of Cambridge Archive Editions.
Scholz	History	A&S	\$2,100		Modern Refugee Collections	With a Bradley grant, I would purchase seven printed collections of primary sources related to early modern refugees. The first two books are accounts from sixteenth-century refugees living in German cities. The next five are collections of court cases and treaties regarding refugee accommodation. The Reformation sparked Europe's first refugee crisis, and these sources would allow me to study this crisis in my second monograph.
Sickinger	Classics	A&S	\$2,551		Inscriptions of Ancient Athens	I am requesting funding to purchase the most recent fascicles of the third edition of Inscriptiones Graecae, to support my research in ancient Greek history, law, and writing.
Stilerman	Modern Languages and Literature	A&S	\$2,000		Fundamental Sources in Contemporary Japanese Narrative	Works of contemporary Japanese literature in the original Japanese by a comprehensive, representative, and inclusive range of authors who have gained demonstrable critical acclaim.
Taylor	English	A&S	\$6,700	\$2,000	Literature Online Database	I request a one-year subscription to the ProQuest database "English Drama", needed for the New Oxford Shakespeare research project on collaboration, revision, and textual transmission.
Total of Funded Proposals			\$49,653.88
